Thick, Rich & Nourishing

The **Plant-Based Yogurts** Your Customers Have Been Craving

After years of R&D, we've unlocked the secret to an ingredient with huge benefits despite its tiny size: the **chickpea**.

By harnessing the power of this special little legume, we've created thick, **unexpectedly creamy plant-based yogurts** that will nourish and delight.

Between their protein content, crave-worthy taste & texture, and absence of allergens, **CHKP yogurts** bring something deliciously new and decidedly different to the non-dairy segment.
